RE: Order No. 2008-264

Dear Sir/Madam:

Please review this request for an extension in order to comply with the above referenced Order.

Our agency currently provides Non-emergency Medical Transportation through a contract with MTM. Notification has been provided to MTM that unless we are able to successfully re-negotiate our contract; we will terminate our transportation services at midnight July 6, 2008.

Compliance with the Order by June 4<sup>th</sup>, 2008 would require decal expenditures of several hundred dollars, with the possibility that we would cease services within 30 days. As I understand it, we would also be required to purchase another set of decals for the period beginning July 1, 2008; that would expire on July 6, 2008 if our contract is not renewed.

I am requesting an extension of 45 days to allow time for negotiations and resolution of our contract situation.

Thank you for this consideration.

Sincerely,

  
Al Parsons

Director
